Cassandra,

BOR wants to meet with the Corps about section 106 compliance for the BDCP. This seems like another topic for the regular coordination meetings we already have with DWR, and I'd suggest you contact them at BOR and just have them appear at one of our Thursday meetings with all of us there, instead of Corps alternatively having meetings with DWR and BOR separately.

Michael, I see that you are not available on the date of Thursday Nov. 17. Since we need to have USACE at this

meeting do you have an alternate who could attend in your place on Nov. 17 and if not what does your schedule look like the next week so we can schedule it around your availability. Thanks, Ann
